Through our six-week Transition Season program we are teaching the full-ice game of hockey to graduating Novice players. During this spring camp players will participate in a 60 minute off-ice session with a multi-sport component with sports such as lacrosse, soccer, and dodgeball.

Our 60 minute on-ice program will develop skills such as deking, shooting, passing, and edge work along with full-ice hockey.

## THE TRANSITION SEASON

The Transition Season is a time for graduating Novice hockey players to learn the full ice game. During our Under-8 program we will teach players the skills associated with full-ice hockey such as:

- face-offs
- defensive and offensive zone entries,
- 5 on 5 play and rules.

Evolution Hockey is the first licensed Hockey Canada Skills program in Manitoba. We specialize in providing specialized instruction in skating, stick handling, passing, shooting, and age-appropriate hockey concepts in a progressive, challenging, and FUN environment.
