ABOUT GARDEN CITY MINI SOCCER

At GCCC we believe that all children have the right to play and learn sports in a safe and inviting atmosphere. We feel that our highly motivated team of volunteer coaches will make your child's sporting experience one they will cherish.

The Garden City C.C. indoor mini program (ages 4 to 8) is unique as it allows both players and coaches to continue the sport through the winter. Community Centre boundaries do not apply - this program is open to all players across the city and fills up to capacity quickly.
