ABOUT GARDEN CITY MINI SOCCER

At GCCC we believe that all children have the right to play and learn sports in a safe and inviting atmosphere. We feel that our highly motivated team of volunteer coaches will make your child's sporting experience one they will cherish. The Garden City C.C. indoor mini program (ages 4 to 8) is unique as it allows both players and coaches to continue the sport through the winter. Community Centre boundaries do not apply - this program is open to all players across the city and fills up to capacity quickly.

We will be adhering to all Provincial Health Orders and sanitizing our facility regularly to ensure the safety of all participants and their families.

PROGRAM INFORMATION

Mini Academy is a great way to begin the season. Players and coaches new to the program will be given the opportunity to learn soccer basics. The returning/older players will also benefit from this Academy as they will learn additional skills to carry them into the Season. These fun filled sessions will allow players to meet their new team mates and get comfortable being on the pitch so that everyone gets the most out of their Indoor season! All sessions will be led by the knowledgeable coaching staff of FC Northwest! This Academy is included in the cost of registration.
